

Cyber Conferences (An Initiative by)

Scholastic Seed Inc.

Cyber Conferences is a platform for the researchers to know more about the conferences occurred in the universe related to the technology and cyber space. It is an initiative by Scholastic Seed Inc. to assemble a list of conferences and provide information about the same in each issue. The purpose is clear that learners can see the conference as per their interests.

ICML | 2020

Thirty-seventh International Conference on Machine Learning
