

About SGI & HIMCS

The Sharda Group of Institutions (SGI) was established in 1996, with the vision to respond to the higher level of expectations from professional education in response to all round effect of globalization and growth. The group's systems and processes are being continuously tuned to accord with the mission of contributing to the national cause of building a pool of competent professionals. Currently it has 03 campuses at Agra, Mathura and Gr. Noida, hosting 14 professional institutions and the Sharda University.

HIMCS, established in 1997, is a constituent unit of SGI, and the only NAAC accredited premier institute offering MBA & MCA education in Agra-Mathura region. It is approved by the AICTE and affiliated to AKTU. HIMCS publishes an e-student magazine; two peer reviewed, indexed, international research journals- Journal of Projective Psychology & Mental Health, and International Journal of Management Development & Information Technology annually. HIMCS has few action research social projects, such as Soldiers of Society (SOS), Centre for Self & Career Development (CSCD), Rural Education Development Program (RED-P) to its credit.

ASSOCIATION OF INDIAN MANAGEMENT SCHOOLS
(UP & U.K. Chapter)

Resource Person
Dr. Naveen Gupta
Behavioral Scientist

Organized by
Hindustan Institute of Management & Computer Studies

In Association with
Association of Indian Management Schools (UP & U.K. Chapter)

About The Program

Managing Workplace Relationship For Organizational Effectiveness

People spend more time at their work place, with their co-workers and peers as compare to their family members. Thus building good relationships with peers and co-workers is very essential and can reap tremendous benefits. Healthy relationships at workplace lead to happy and satisfied employees. The value addition made by happy and satisfied employees is immeasurable. It positively affects their attitude and overall behavior. They are more efficient, motivated and productive. They voluntarily become the organizations brand ambassadors.

Pedagogy

The methodology will be highly interactive and will involve a mix of lecture, group discussion, role play, simulation game and self assessment through psychometric tools with a feedback.

For Whom

Junior & Middle level executives who might be heading a group, department or work units.

About Agra & Mathura

Agra is the heritage city and one of the most prominent tourist destinations of Uttar Pradesh. Besides Tajmahal places worth visiting are Agar Fort, Fatehpur Sikri, Akbar's Tomb, are some of the other tourist attractions. Agra city is also known for its leather goods, carpets, handicrafts, marble and inlay work.

Forty seven kilometers from Agra is Mathura, Brajboomi, the birthplace of Lord Krishna. Places worth visiting are Vrindavan, Gokul, Mahaban, Barsana, and Govardhan. HIMCS being centrally located between Agra and Mathura extends an opportunity, to visit both the cities and add on memorable moments in life.
